SUMMARY

Considerable management experience in the upscale restaurant industry looking to enter into Web Development. Graduate of the Full Stack Web Development program at the University of Utah, Bachelor of Science in Industrial Design from Arizona State University, and serving in the US Marine Corps as a Combat Engineer gives me a unique perspective on combining personal interaction, design principles, and technical development to be an insightful addition to any team.

TECHNICAL SKILLS

Languages: JavaScript, CSS, HTML, SQL, and currently learning Java

Applications: React, Node, Express, MySQL, Sequelize, Mongo, Mongoose, Firebase, Handlebars, Bootstrap, Materialize, Photoshop, Illustrator, and Solidworks.

PROJECTS

Fur Butlr | <https://github.com/ApexPanda/FurButler> | <https://fur-butlr-app.herokuapp.com>

- App that connects pet owners with local service providers. Also lets people communicate through chat and review services.
- Developed the front end layout, created sign-up and login functionality.
- React, Express, Sessions, Bcrypt, JavaScript, Firebase, MySQL, Node, Materialize, CSS, HTML.

ChatMeme | <https://github.com/cwp132/Group-5> | <https://chat-meme-3fbf6.firebaseio.com>

- Users type in any comment, and what is shown to all other users is a gif that corresponds to the query instead of the actual query.
- Developed the front end graphics, color scheme, layout, and contributed to JavaScript.
- JavaScript, Firebase, Node, multiple API's, Material, CSS, HTML.

EatDaBurger | <https://github.com/mountainflow/burger> | <https://rocky-crag-70486.herokuapp.com>

- App that lets you create your own style of burger and then mark it as eaten or delete it. This project utilized Object-Relational Mapping without any database libraries such as Sequelize.
- All layout and functionality.
- Express, JavaScript, Node, MySQL, Handlebars, Materialize, CSS, HTML.

EXPERIENCE

MANAGER - FRONT OF HOUSE

12/2014 – Present

EDGE STEAKHOUSE: PARK CITY, UT

Instituted a continuous training program for all staff that resulted in multiple awards including: Forbes rating, best steakhouse, best wine service, and best restaurant in Utah.

GENERAL MANAGER

11/2012 – 04/2014

HONEYCOMB GRILL: SOLITUDE, UT

Ensured quality control for both front and back of house. Taught myself HTML and CSS for email marketing programs, and along with educational training for service staff, sales increased by 15%.

EDUCATION

Bootcamp Certificate: University of Utah, Salt Lake City, UT

A 6-month intensive program focused on gaining technical programming skills in HTML, CSS, JavaScript, Node, MySQL Databases, Express, Mongo, and React.

Bachelors of Science Industrial Design: Arizona State University, Tempe, AZ

Top rated program for Product Design. Technical skills include: Photoshop, Illustrator, SolidWorks, Excel, 3-D printing, Graphic Design, and User Interfaces.
